## (GA.261) Powder Horn

### Date

ca. 5 Nov 1775

### Medium

Horn, Wood

### Description

This is a very plain powder horn with an inscription and a twine strap. The horn is dark green, with one simple raised ring around the spout about an inch from the tip. The wooden base plug has some deep scratches. The horn is engraved with two ships, possibly representing the sloop Enterprise and the schooner Liberty. Inscription reads: "ISAAC BARNES HIS HORN/ MADE AT SANT JOHNS 1775/ NVEMBER / THE 5 1775/ C I I C C C C O".

### Dimensions

14.5" x 3.5" x 3.5"
